

The **only** Independent School in Sunderland rated **outstanding**

As proven by Independent Schools Inspectorate (ISI), April 2011

We love celebrating the success and achievements of our pupils because they deserve it. It is not normally our way to shout about ourselves. But in this case we thought it worthy of the exception because it is thanks to all our staff, pupils and parents that we can celebrate this accolade. So, thank you.

To have 6 categories judged outstanding by the Independent Schools Inspectorate (ISI) is outstanding. It is a first in the City of Sunderland.

Indeed, the words '**outstanding**' and '**excellent**' are used more than 30 times. Here are just a few of them:

- '**outcomes for children in the EYFS (Early Years) are outstanding**'
- '**teaching shows outstanding subject knowledge**'
- '**the standard of the pupils' personal development is excellent**'
- '**the excellent curriculum is broad throughout the school to offer maximum choice to each pupil**'
- '**teaching strongly enables the pupils' successful learning and leads to high achievement**'
- '**the spiritual, moral, social and cultural development of the pupils is excellent throughout the school**'
- '**the school's arrangements for the welfare, health and safety of all its pupils are excellent and support the pupils' outstanding personal development**'

Please read the report in its entirety in order to appreciate the significance of this outstanding judgement. Just in case you don't know, the ISI is the independent sector's answer to OFSTED. Whilst the process and categories differ, the importance does not and the highest ratings are equivalent.

Everyday is open day at Sunderland High School.
